

REMARKS

Upon entry of this Response, claims 1-21 will be canceled and claims 23-31 will be added. These changes have been made solely to expedite prosecution of the present application, and no new matter has been added. Applicants reserve the right to pursue the subject matter of previously pending claims in this and/or other applications.

Applicants elect Species 3, and submit that Claims 22 through 31 are readable thereon. Applicants also wish to point out that some of these claims could be associated with FIGS. other than FIG 7. For example, claim 24 might be associated with the receive processor 114 of FIG 3 as originally filed.

Examination and allowance of the elected claims are respectfully requested. If any issues remain, or if the Examiner has any further suggestions for expediting allowance of the present application, the Examiner is kindly invited to contact the undersigned via telephone at (203) 972-0191.

Respectfully submitted,
